

Hard-working businesses deserve hard-working protection.

Trades and Professions

Building a business is hands-on hard work. Customers deserve equally hard-working cover that protects their time and effort.

We provide this for trades people, skilled workers and professionals. Public and Products Liability cover is insured as standard, with a number of optional covers to tailor the product to suit the needs of the trade or profession.

Our flexible solution is for sole traders and businesses with up to 15 employees and a turnover of less than £1.5million.
